An email confirming your registration to the PR News Online College Guide will be sent to the email address you provided while registering.

The email will include the user name and password you requested. It will also provide a link for you to return to PRNews Online, verify you account information, and login to the system. Click on the word login on this page.

You will be redirected to the following page. Enter your login credentials.

When you login, you will automatically default to the Profile section of the Guide. Here you will complete the User Data (most likely auto-populated by the registration already) and Profile Data sections, then save your profile.
