Snapchat Demographic

Usage and Audience

- **More photos shared** daily than Facebook and Instagram combined
- **71%** of users are under age 25
- **58%** of college students say they're likely to purchase a product from brands that send information via Snapchat
- Users age 18-29 spend an average of **20 minutes a day** on Snapchat, while 30-44 year-olds spend just nine minutes on average
- Yet, **only 1% of marketers** are currently using Snapchat!
- Lack of familiarity preventing adoption

Demographic

100 million users as of 8/26/14

No. 3 social app among Millennials 8/12/14

Key Features

- **Discover**

- Page within the app
- View multimedia clips from a variety of different media properties
- ESPN, CNN, BuzzFeed, etc.

- **Stories**

- Live for 24 hours
- Can be viewed again
- Once the 24 hours is up, they are automatically deleted
- Longer than a regular Snap
- Highlight events throughout your day

- **Geofilters**

How to use

Snapchat

For Business

Can Snapchat work for B2B?

- Some **subset** of your target audience is active on Snapchat
- **Segment** your existing social audience to determine if they're likely on Snapchat
- Start with a **pilot** program
- Stories at large **industry events** are an ideal launch pad
- **Location, location!** Test Geofilters

- **Snapchat ID:**
GeneralElectric
- Aims to reach a **younger audience**
- Celebrates rich history and **love of science** with periodic posts
- Recently promoted **National Engineers Week**
- Content to attract future employees and customers
