## WRITING FOR MOBILE

- Max info, minimum words
- Some mobile channels are optimized for images so writing becomes drawing, shooting

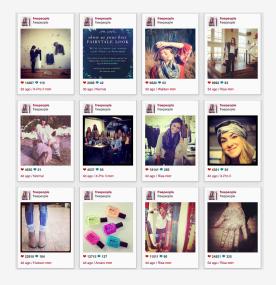

## **KNOW CONTEXT**

- + Facebook is more personal, fun
- + Twitter is for news
- Instagram/Vine creative visual (even when it's about business)

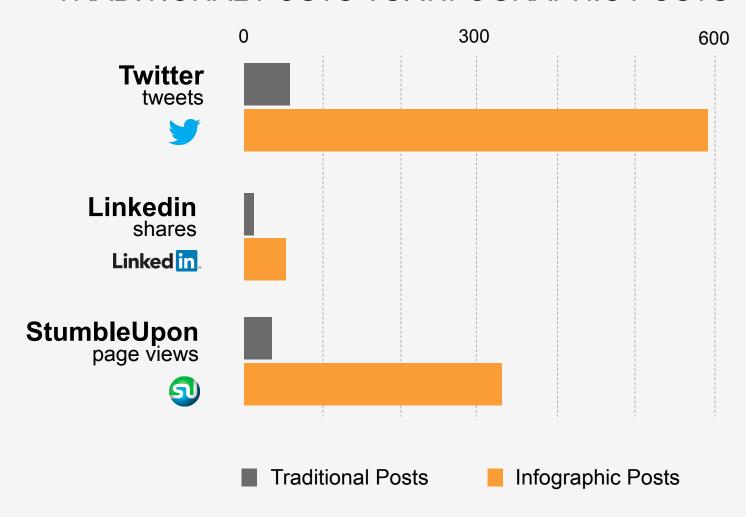

# VISUALIZE WHAT YOU WRITE

## TRADITIONAL POSTS VS. INFOGRAPHIC POSTS

## KNOW THE STRUCTURE

- Twitter consider every space, punctuation
  - Know your # and @
- + Facebook
  - think images and captions
- + Email
  - Above the fold is Twitter length
  - Single column
  - Subject line

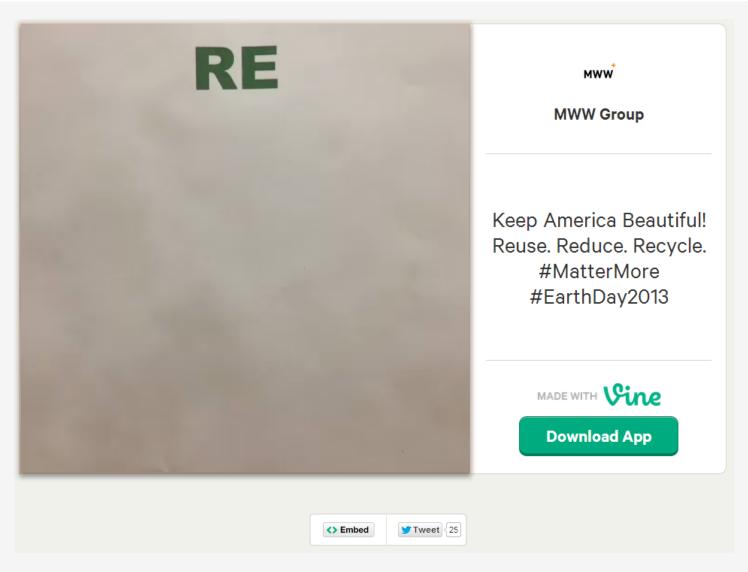

# **Nail the Keywords**

- **+** Re:
- + Top Ten
- Breaking News
