"The Agency Elite Top 100 is the only editorial roster of its kind, dedicated to the most innovative PR & communications firms in the business." says Danielle Sikes, Associate Publisher at PRNEWS. "Our annual list is an invaluable resource that helps newbies and seasoned vets alike get a sense of who they can trust with their business based on any number of criteria and specialty."

"The companies that made this year's list demonstrate the wide range of industry specializations and core capabilities that PR, marketing and communications encompass," says Kaylee Hultgreen, Content Director, PRNEWS. "They also spotlight the new areas of expertise agencies are embracing to remain flexible within a shifting cultural landscape and ever-evolving client needs."
